In compliance with the provisions of the Michigan Hazardous Waste Management Act (1979 PA 64), hereinafter referred to as "the act",

Total Petroleum, Inc.
E. Superior Street
Alma, Michigan 48801

is authorized to engage in the business of transporting hazardous wastes in accordance with the provisions of R 299.6801 to R 299.6812 of the Michigan Administrative Code.

The above identified licensee shall:

1. Ensure that each vehicle used to transport hazardous waste is licensed under the act prior to transporting any hazardous waste.
2. Continuously maintain financial capability as defined by R 299.6802.
3. Carry a copy of the vehicle license in each vehicle used to transport hazardous waste.
4. Accept loads of hazardous waste only if offered for transport with a Michigan manifest form completed by the hazardous waste generator.
5. Certify acceptance of waste for transport by signing the manifest form in the appropriate location.
6. Keep a copy of each manifest for a period of three years and make them available for inspection.
7. Deliver the hazardous waste and accompanying manifest only to the destination specified by the generator on the manifest.
8. Abide by all of the provisions and conditions of hazardous waste transporter vehicle licenses used by the licensee.
9. If a spill of hazardous waste occurs, the licensee shall take immediate action to protect human health and the environment, including notification of local authorities and diking the spilled material. If a spill occurs in Michigan, the licensee shall immediately give notice of a spill to the Department of Natural Resources by telephoning 1-800-292-4706 or 1-517-373-7660.
